

## Features and Benefits of NURAZZO Tile

- Nurazzo Tile is a true epoxy precast Terrazzo tile
- Offered in polished and honed finish
- Dimensionally stable – will not shrink or warp
- Stone and glass chips – will not pop out
- Thru-chip, pattern and color go throughout the product (not a film or print)
- Compressive strength of 10,000 psi (significantly higher than other precast Terrazzo tiles)
- Brighter colors – epoxy allows for more vibrant colors
- Up to 70% post-consumer recycled product
- Ease of installation and maintenance
- Affordable alternative to pour-in-place terrazzo
- Unlimited color options
- State of the art manufacturing facility
- Available in various sizes
- 20 year warranty
- Contributes to LEED projects
- Made in the USA
